Statement of Nondiscrimination

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program,

political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202)720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800)877-8339. Additionally, program information may be made available in languages other than English.

Unresolved Complaints

If the telephone (or other utility) company fails to resolve a service or billing complaint within a reasonable period of time, customers may refer their problems to the Consumer Services Division of the New York State Public Service Commission by writing to: Three Empire State Plaza, Albany, New York 12223 or by calling 1-800-342-3377; 1-800-662-1220 Hearing/Speech Impaired: TDD; Fax 1-518-486-7688 24 hours; email: csd@dps.state.ny.us; <http://www.dps.state.ny.su/notsure.html>

Your Rights & Responsibilities as a Residential Customer

As a Crown Point Telephone Corporation customer, you have certain rights and responsibilities. These rights and responsibilities result from Part 609 www.dps.state.ny.us/tefpa.html of the New York State Public Service Commission (PSC) rules governing provision of telephone service to residential customers. Public Service Law 4,92.

Questions or Problems

Contact us as soon as possible if you have any questions or complaints about your telephone service. We will try to give you a prompt answer. Our representatives are available to help you between 9:00 AM and 4:30 PM during business days. To get your questions answered fully and as quickly as possible, we suggest you call our Business Office at 518-597-3300 or 1-800-828-9221.

If you prefer, you can write to Crown Point Telephone Corp. P.O. Box 275. Crown Point, N.Y. 12928 or visit our Business Office. As with any correspondence, please include your telephone number and as much information about the problem as you can. Whether you phone, write, or visit our office, our service representatives will do their best to handle your inquiry promptly and considerately. If, however, you are not satisfied with our representative's response, please ask to speak to a supervisor.

If you are still not satisfied, you can call or write to the Public Service Commission (PSC) at Three Empire State Plaza, Albany, N.Y. 12223. They have a staff available to give you assistance if you request it. The

telephone number is 1-800-342-3377 (toll free) between 6:30 AM and 4:45 PM on business days or on line at www.dps.state.ny.us/ . While your complaint is being considered by the Public Service Commission, we will not disconnect your service for failure to pay the amount in question. However, all undisputed bills must be paid when due to ensure continued service.

Billing

We have a responsibility to provide reliable telephone service to our customers, and you have a responsibility to pay bills for telephone service promptly. Bills are due by the payment date shown on your monthly bill. Methods of payment accepted include: cash, check, money order, Visa, Mastercard, Discover or American Express. We also offer Automatic Direct Payment where the amount of your bill is automatically debited from your bank account on the 24th of each month. You may also pay by mail using the return envelope provided or in person at our Business Office located at 46 Porter Mill Rd, Crown Point, NY.

Third Party Notification

All residential customers may choose a third party to receive copies of all credit notices. A third party notice may keep your service from being turned off by mistake. You may choose a relative, friend, a member of the clergy or a community agency to be a third party for you. The selected party must agree to be a third party and will receive copies of any credit notices we send to you because of overdue bills. The third party can contact us on your behalf and help you work out any payment terms with us. Remember, however, that the third party is NOT responsible for paying your bills.

Customer Proprietary Network Information (CPNI)

FCC mandates that you provide a password to Crown Point Telephone to access your account information.

Customer proprietary network information (CPNI) is the data collected by telecommunications companies about a consumer's telephone calls. It includes the time, date, duration and destination number of each call, the type of network a consumer subscribes to, and any other information that appears on the consumer's telephone bill.

Crown Point Telephone DOES NOT sell any of its customers' information, such as numbers you call, when you called them, where you were when you called them, or any other personally identifying information, nor does it share this information with its subsidiary companies for marketing purposes. We DO however, use CPNI to perform billing and collections functions, effect maintenance and repair activity, and in response to lawful subpoenas.

The FCC prohibits Crown Point Telephone from releasing your customer information to you when you call our business office except when you provide a password. If you do not provide a password, we may not release your customer information to you except by sending it to your address of record or calling you at your telephone number of record. Crown Point Telephone must provide password protection for your online account. If you come in person with valid identification to our business office, we can provide you all your customer information. Crown Point Telephone must notify you immediately when it creates or changes a password, a back-up for a forgotten password, an on-line account or an

address of record. Finally, Crown Point Telephone must disclose your customer information to any person you designate if you make your request in writing.

At this time, Crown Point Telephone Corporation is requesting that all customers contact our office to set-up a password and to review their account for all customer designees.

Special Protections for Victims of Domestic Violence

All Telephone Service Providers Must Provide Free NonPublished or Alternate Name Listings to Victims of Domestic Violence and Change Telephone number if requested.

The New York State Legislature, in December of 2010, passed and Governor Paterson signed a new Public Service Law, requiring telephone providers to give victims of domestic violence either an alternative name listing in the directory or free nonpublished service. This past legislative session, the new law was re-visited and in addition to providing an alternate listing or free non-published service, the Telephone Service Provider must also now provide a new telephone number within 15 days, should the victim of domestic violence request it.

The law previously required that every local exchange carrier and every cable television company that provides New Yorkers with telephone service, either: allow a customer to use a modified or alternative name for a directory listing, or alternatively at the discretion of the telephone service provider or waive the otherwise applicable charges for a non-published telephone listing.

Customers that request that the telephone service provider protect their identity, because they are a victim of domestic violence and that hold an Order of Protection by the Courts (other than a temporary order of protection), can now request a new number in addition to the other remedies previously enacted. Effectively, the customer can now request a new number and that it be a non-published number free of charge, for the duration of the court order.

Should a customer request this accommodation, they should, pursuant to the law, provide to the company a copy of the Order of Protection.

Special Protections

Medical Emergency - if you are unable to pay your bill and a medical emergency exists in your household, we can help you. If you file a medical certificate with us, signed and submitted on the official stationery of your doctor or an official of the local Board of Health stating the nature of the serious illness or medical condition, we will continue your service for 30 days. The medical certificate can be renewed. To do so, your doctor or an official of the local Board of Health must explain the expected duration of the emergency and why service is needed. And you must demonstrate why you are unable to pay your telephone bill. During the emergency, we will not terminate your service because of non-payment of the outstanding amount. We will also defer payment of up to \$30 for each bill you receive while the emergency exists, but you remain responsible for your bills.

Elderly (62 or older), Blind, Disabled In residences where all members of the household are known to the Crown Point Telephone

Corp. to be 62 years of age or older, 18 years of age or younger, blind or disabled, we will continue service for an additional 20 days after the date of termination as stated on the Termination Notice. Crown Point Telephone Corp., Inc. will attempt to contact the customer or an adult resident at the customer's premise at least eight days prior to the date on which service may be terminated to try to work out a payment arrangement.

Special Rights Program

If you believe you may be entitled to certain protections as described, you may obtain the necessary forms from our Business office.

Special Equipment for Hearing or Speech Impaired

Upon request, Crown Point Telephone Corporation will make every reasonable effort to locate and obtain specialized tele-communications equipment for customers certified as hearing or speech impaired including TTY equipment. A customer can be certified as hearing or speech impaired by a licensed physician, otolaryngologist, speech-language pathologist, audiologist or an authorized representative of a social agency that conducts programs for persons with hearing or speech impairments in cooperation with an official agency of the State of New York. We will be glad to assist with purchasing, lease, or lease with purchase option of the specialized equipment.

Large Print Bills for Visually Impaired

Upon request we can supply large print bills.

Lifeline

The Lifeline Program provides discounts for low-income consumers to obtain and maintain telecommunications services at affordable rates. Crown Point Telephone Corporation is an eligible telecommunications carrier participating in the Lifeline Program and is thereby required to re-certify consumers every year.

If you or family members living in your household participate in any of the following programs, you may be eligible for the Lifeline discount on your telephone bill.

Medicaid

Supplemental Nutritional Assistance Program (SNAP) F/K/A foodstamps

Supplemental Security Income (SSI) (regular Social Security does not apply)

Federal Public Housing Assistance

National School Lunch Program's Free lunch program

Low income home energy assistance program (LIHEAP)

Temporary assistance for needy families/Safety net

Veterans Disabilities pension

Veterans surviving spouse pension

OR--

Your household income is at or below 135 percent of federal poverty guidelines. Please contact our business office for the income schedule.

Please bring your proof of your eligibility requirement to Crown Point Telephone's business office between 9am and 4:30 pm Monday – Friday. A customer service representative will need to verify your proof.

CROWN POINT TELEPHONE WILL RETAIN CUSTOMER DOCUMENTATION, ONCE THE DOCUMENTATION HAS BEEN REVIEWED AND RECORDED AS RECEIVED – WE WILL KEEP THIS INFORMATION ON FILE FOR AS LONG AS YOU ARE ON THE PROGRAM OR THREE YEARS THERE AFTER.

Please remember, the lifeline discount is available for only one line of voice service per household. Applicants must be over 18 years of age and cannot be claimed as a dependent on anyone's tax return. If qualifying person is under 18, both the applicant and the parent must review and agree to all terms of the program. If you have any questions or concerns please feel free to call our office Monday – Friday 9am to 4:30 pm and a customer service representative will be happy to assist you.

Quarterly Payment Plan

If you are 62 or older and your yearly telephone service costs are \$150 or less, you may arrange to pay your bills every three months.

Application for Partial Payments Only

If you make a partial payment, which does not exactly equal a past due total balance, and it is received within the first 10 days after the first of that month, your payment will be applied first to past due charges for basic service, then to past due charges for other services prior to application to any current charges. Such payments received 11 days or more after the first of the month will be applied first to total basic service charges, including current charges, prior to application to charges for other services.

Partial Payments

If you do not pay your bill in full, your payment will be applied to your account by category:

Category 1

Crown Point Telephone basic local service, which is billed one month in advance, includes: Access line charge, service order charges, listing charges, OPX bridge charges, subscriber line charge, basic local service restoral charges, taxes, & return check charges.

Category 2

Non Basic Services include custom calling features, service order charges, wire maintenance, phone plans, additional listing & DSL charges.

Category 3

Intralata Toll charges, all toll charges within the 518 area code.

Category 4

Other Toll charges, including long distance provider services.

If you are unable to pay your entire telephone bill, partial payments may result in the blocking or disconnecting of regional calls, regional toll calls, optional services including DSL services and services for other companies. If those amounts remain unpaid, we will refer those portions of your account to our collection attorney or agency. We will accept payment toward these charges.

Late Payment Charge

Customer bills for telephone service are due when they are rendered. A customer is in default unless payment is made on or before the due date specified on the bill. To avoid late charges all bills are due by 12:00 p.m. on the 25th of each month. If the 25th falls on a holiday or weekend, all bills are due by 12:00pm the business day prior to that holiday or weekend.

If payment is not received in the above specified time, a late payment charge equal to one and one-half percent (1½%) per monthly billing period will be applied to all amounts in arrears. Late payment charges will also be applied to the unpaid late payment charges excluding one month's local service.

Final Termination Notice

If payment is not received 23 days from the date of the bill, our billing system will flag your account and a termination message will be printed on future billings. Termination of service (you will be unable to either make or receive calls) may occur no sooner than 20 days after the notice is mailed. This Termination Notice allows you the opportunity to arrange payment and avoid interruption of service.

The Termination Notice also advises you of the availability of a Deferred Payment Agreement (DPA) and describes its provisions. (See Deferred Payment Agreement on next page.) If you are eligible for, and sign a DPA, we will not disconnect your service as long as you make the agreed upon payments. If there are no questions about the bill and you fail to pay the amount shown on your Termination Notice or, if eligible, do not enter into a DPA with us, your service will be terminated.

Should you qualify for the Special Protections described on the following page, your service will not be terminated. Customers with terminated service or cancelled accounts may be required to pay a down payment to reestablish service.

When Service Can Be Terminated

We are allowed to terminate residential telephone service for non-payment only between 9:00 AM and 4:00 PM Mondays through Thursday. We cannot terminate service on a public holiday, the day before a holiday, any day our Business Office is closed, or during the period of December 23 through December 26 and December 30 through January 2.

Reconnection of Service

If we terminate your service, we will reconnect it within 24 hours after you have paid the amount due, or signed a Deferred Payment Agreement and made the down payment. If service is terminated, there is a charge of \$35.00 to reconnect the service within 30 days.

Deferred Payment Agreement

If you have a problem that prevents you from paying your bills, you may be eligible to sign a Deferred Payment Agreement. A DPA will be for a period agreed to by both the customer and the Company. The Company must offer an eligible customer a DPA of no less than 5 months unless the customer agrees to a shorter period. DPAs cannot exceed \$150 unless agreed to by the Company or directed by the Public Service Commission. DPAs longer than 5 months can be arranged if the Company agrees to it. A down payment, not to exceed the lesser of one-fifth of the amount deferred or three months of a customer's average billing, may be required.

If a customer on a deferred payment agreement defaults on an existing deferred payment agreement a new DPA need not be offered provided, however that such a customer may have the existing payment agreement renegotiated once within a 24 month period if the customer

can demonstrate that his/her financial circumstances have changed significantly because of conditions beyond their control. If a customer has renegotiated the existing DPA once within the last twenty-four months and has been served normal notification, no further extension of time is necessary before disconnection can occur.

If you need assistance in understanding a Deferred Payment Agreement you may call or visit our office and we will be glad to assist. If you feel you need assistance in reaching an agreement with us, the Public Service Commission has a staff available to help you. You may reach one of their representatives at 1-800-342-3377 (toll free) between 8:30 AM and 4:45 PM on business days.

Access To Telephone Regulations (Tariffs)

You're entitled to see all tariffs filed by Crown Point Telephone Corporation. They are also available at the New York State Public Service Commission Offices. Telephone numbers for our Business Office and the Public Service Commission are listed in the informational pages of this telephone directory. At your request we will supply a detailed copy of Part 609 - Rules Governing Provision of Telephone Service to Residential Customers. Visit www.crownpointtelephone.com or <http://www.dps.state.ny.us> for further information.

You Are Responsible for All Calls Made from Your Home

Be careful about letting others use your phone. If you have concerns contact our business office for assistance.

Basic Monthly Service Rates

Crown Point Telephone Corporation's tariffed basic service rates are as follows: (as of June 15, 2012)

Residential Private Line - \$23.00

Business Private Line - \$33.00

For more information about telecommunications taxes and surcharges go to : www.dps.state.ny.us/TelecomTaxesSurcharges.html

Non-Recurring Service Rates

Crown Point Telephone Corporation's tariffed non-recurring service rates are as follows: (as of February 25, 2005)

Residential Rates

Service Charge - \$35.00

Line Connection Charge - \$15.00

Premise Visit Charge - \$18.00

Business Rates

Service Charge - \$56.00

Line Connection Charge - \$18.00

Premise Visit Charge - \$27.00

Advertising Telephone Numbers

Advertising, in any form including print (business cards included), radio or television advertisements, a residential number for business purposes or the regular use of a residential telephone for conduct of a business is not permitted. Crown Point Telephone will reclassify your phone service from Residential to Business service and adjust your billing accordingly. A notice will be sent to any customer whose telephone service classification needs to be changed.

Do Not Post Signs on Utility Poles

Signs that are tacked to utility poles are very dangerous. Many people don't realize that putting signs on poles endangers lineworkers who have to climb those poles to make repairs. Staples, nails and tacks used to hang signs on the poles - as well as the signs themselves - can cause very serious damage. Lineworkers risk injury to themselves and damage to their equipment and protective clothing. If you're planning a tag sale or some other activity in your neighborhood, please do not post or hang signs to advertise it on utility poles.

NO PICK*

You may choose to not select a specific toll carrier. NO PICK can be selected for both calling areas. You will still have the ability to make toll calls through casual toll service provider use or with a pre-paid or post-paid calling card. The \$5.50 Federal fee still applies if you change from a specific toll service provider to NO PICK.

Toll Service Providers

We have included a list of Toll Service Providers and their contact numbers below. You may also contact Crown Point Telephone Corporation's Business Office and ask for a current list of Toll Service Providers.

You will need to choose a toll service provider or NO PICK* for calling inside the 518 area code and calling outside the 518 area code. You may make the same selection for both calling areas. You will be billed a \$5.50 Federal fee each time you change. You **MUST** establish a billing account with the toll service provider you choose.

<u>Toll Service Provider</u>	<u>Residential</u>	<u>Business</u>	<u>Code</u>

Toll Free Local Calling Area

Our local calling area includes all of Crown Point (597) (216), to and from Port Henry (546), and to Ticonderoga (558 & 585) one way only. To call within these areas dial last seven digits only.

How to Dial Toll Areas

Direct Dialing:*

Within the 518 area dial last seven digits
 Outside the 518 area 1 + area code + seven digits

Operator Assistance:*

Within the 518 area 0 + seven digits

The operator will come on the line after the call is dialed.

If your toll service provider does not handle international calls

Dial: the code of a toll service provider that handles such calls +011 +country code + city code and telephone number.

Contact your toll service provider with any questions.

Calling Card Calls

If you have a Calling Card you can place long distance calls economically and they will appear on your regular monthly bill. The initial period is one-minute.

Time and Charges

When placing a toll call you can ask the operator to tell you the length of time you talked and how much it cost. Dial 0 plus the number and when the Operator answers, say that you will want time and charges when the call is ended.

Toll Service Rates

Rates for all types of calls are based on distance, the time that you make the call, the length of your conversation and your service providers calling plan. There is an additional charge if you make an Operator Assisted, Calling Card, or Public (coin) phone call.

Charges are based on the rates in effect at the calling point. If you start a call during one rate period, and continue through to another rate period, you will be billed the rate that applies for each period.

New York Relay Service

New York Relay Services is available 24 hours a day, 365 days a year, with no restrictions on the length or number of calls placed. This valuable communications tool gives all individuals who are deaf, hard-of-hearing, deaf-blind or speech-disabled the opportunity to make personal and business calls just like any other telephone user.

New York Relay Service (NYRS) was established in 1989. Currently, New Yorkers who are deaf, hard-of-hearing, deaf-blind, and speech-disabled enjoy nearly effortless communication via their telephones, thanks to New York Relay Service.

To learn more about New York Relay Service,
please call the Relay Inquiry Line:
1-800-664-6349 (VOICE) 1-800-835-5515 (TTY)
to place a call

Privacy Considerations

Billing Information

We are required to disclose your billing information (name, number, address) to long distance companies whose networks you use. If you would like to prevent this information from being shared then contact our office for more information.

Non-Published Numbers

A non-published telephone number does:
Prevent Crown Point Telephone from releasing your number, this includes printed directories and directory assistance.

A non-published telephone number does not:
Prevent your number from being relayed to an 800 (toll free) number or 900 number service provider when you call them.
Prevent your name and address from being relayed to long distance companies for billing purposes when you make a collect or third-party charge.

Annoyance\Harassment Call Procedures

If you receive a malicious or annoying phone call, hang up. Don't keep talking. That is what the caller wants. If the calls persist, please contact our business office. Our representatives are specially trained to assist you. In special cases we will work closely with you and police officials to catch offenders.

It is a crime under both Federal and New York law to make a telephone call for annoying or harassing purposes or, in the case of the Federal law, to knowingly permit a telephone under one's control to be used

for such purposes. This includes calls in which the caller remains silent, as well as those in which the offender is threatening or obscene.

Be Aware of Slamming and Cramming

“*Slamming*” occurs when your toll service and / or your regional calling service is changed without your knowledge and approval. Federal and state laws prohibit “*slamming*”.

If you are a victim of “*slamming*”, first call the toll service or regional calling provider associated with the charge. The company’s name and logo appear on your bill. You are entitled to be switched back to the company of your choice at no charge and to have any disputed charges billed at your original company’s rate. If the toll service or regional provider refuses to comply with your request, you may write a detailed letter to the Federal Communications Commission (FCC) for help in resolving the dispute.

Federal Communications Commission
Common Carrier Bureau
Consumer Complaints
MS 1600A2
Washington, D.C. 20554

All rates and listings shown
in this directory are correct
as of June 30, 2016.
Rates and listings are subject to change.

Enclose with your letter a copy of the disputed bill, relevant phone numbers and any other communication you've had with the billing company.

Protection against “Slamming”

As a protection against slamming you may call our business office and request that no changes be made to your toll service or regional service providers. This is known as a “*PIC Freeze*”.

“Cramming”

is the term used when unexpected and unauthorized charges are unknowingly or “*crammed*” onto your telephone bill. Usually these charges are for phone related services, but charges may also be for added on telephone services or surcharges. These charges generally appear on a separate page of your bill with the billing company's name.

If you suspect a charge has been “*crammed*” on your bill, contact our business office to have the erroneous charge removed.

Notification for Telemarketers

The FCC, in conjunction with the Federal Trade Commission (FTC) established the National Do-Not-Call registry for consumers who wish to avoid receiving many kinds of telemarketing calls. The FTC will administer the registry, but enforcement will be coordinated between the two agencies. Federal enforcement of the National Do Not Call Registry began October 1, 2003.

Telemarketers Subject to Fines

Telemarketers who continue to call consumers who have placed

their telephone numbers on the registry by August 31, 2003 or had previously registered for the NY State Do Not Call list after October 1, 2003 are subject to substantial fines.

Telemarketers Must Unblock CID

In addition to the announcement of the National Do-Not-Call registry, the FCC announced that it amended its rules, including among other things to require telemarketers to transmit their Caller ID information and to unblock their numbers. Telemarketers can obtain the complete rules by accessing the Federal Communications Commission's Rules and Regulations Implementing the Telephone Consumer Protection Act of 1991 at www.fcc.gov/cgb/policy/telemarketing.html, 47 CFR Section 64.1200 and the Federal Trade Commission's amended Telemarketing Sales Rule at www.ftc.gov/bcp/rulemaking/tsr/, 16 CFR Part 310

List Updated Quarterly

As with the New York State Do Not Call Registry, once a consumer's name appears on the National Do Not Call registry, which will be updated on a quarterly basis, telemarketers will have thirty days to remove the number from their call lists or be subject to a substantial fine. Telemarketers can obtain access to the Do Not Call list at telemarketing.donot-call.gov/

Get the Facts about 900 Calls

A 900 service number is a long-distance telephone number that can connect you to a world of information. ("900" takes the place of an area code.)

Calling a 900 Number Is Not Free

Crown Point Telephone will place a 900 block on your new service unless you request 900 calls be allowed from your telephone. A charge will show up on your phone bill. It may be much higher than the cost of other long-distance calls.

NOTE: There is also a charge for calls to 700, 976, 540, (and to some 800 numbers after a minimum of free time is used). 700 numbers are designed for conference calls, business consultations, some teen "talk lines," etc.

Consider "900 Call Block"

If 900 calls create a problem for your family, consider 900 Call Block. This FREE service prevents 900 calls from being direct-dialed from your home. 900 call block may not be available in all situations, but will be provided where it is available.

NOTE: 900 calls charged to a calling card cannot be blocked by your local telephone company.

Free Number Blocking Services

Crown Point Telephone offers collect, third party and international blocks at no additional monthly charge.

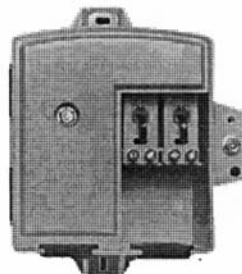

CUSTOMER TESTING PROCEDURES

To avoid a future Service Charge
follow these steps --

- Step 1 - Unplug Test Point Jack
- Step 2 - Plug in Working Desk Phone

IF DIAL-TONE IS GOOD -
POSSIBLE CUSTOMER-OWNED PROBLEM

IF NO DIAL-TONE OR PROBLEM STILL EXISTS -
CONTACT CPTC OFFICE

Test Your Equipment to Avoid Service Charges

You are subject to service charges if your customer provided equipment is putting your line out of order. Check your phone in a working jack in your home or at the Network Interface Device (NID) located on the outside of your home. If you are unsure of what to do you may stop by our office and someone will show you what you should do. You may also use the Crown Point Telephone Corporation test jacks located at our business office. Maintenance plans for phones and jacks are available.

NATIONAL
DO NOT CALL
REGISTRY

Do-Not-Call Registry

Telephone numbers placed on the National Do Not Call Registry will remain on it permanently due to the Do-Not-Call Improvement Act of 2007, which became law in February 2008. More than 157 million phone numbers are on the National Do Not Call Registry.

Under the Act, the Federal Trade Commission will continue to remove telephone numbers that have been disconnected and reassigned to other customers. Consumers can delete their telephone numbers from the registry at any time by calling 1-888-382-1222 (TTY 1-866-290-4236) – the call must be made from the telephone number they wish to delete.

The National Do Not Call Registry gives you a choice about whether to receive telemarketing calls at home. Most telemarketers should not call your number once it has been on the registry for 31 days. If they do, you can file a complaint at www.donotcall.gov. You can register your home or mobile phone for free.

Are you building in or moving to Crown Point

Have your contractor contact our office to discuss your building plans with us. Let CPTC help create the right telephone systems for all your family's voice & data telephone needs. When you bury your power cable, contact us about burying your telephone cable at the same time.

CONTACT

Crown Point Telephone Corporation

518 597 3300 or 1 800 828 9221

Only people named on your account can receive information about or make changes to your service. Contact us if you would like to review your account information.

Custom Calling Features

Crown Point Telephone offers a variety of services that enhance your standard phone service. They include Caller ID, Telemarker Call Screening, Anonymous Call rejection, Call Waiting, Cancel Call Waiting, Three Way Calling, Call Transfer, Call Forwarding, Call Forward Remote Access, Speed Call 8 & 30, Teen Ring, Warm/Hot Line & Toll Denial.

Caller ID Service

provides the number and name associated with an incoming telephone call and will be displayed on a Caller ID equipped telephone or display box. If incoming call number is blocked or non-published, display may read "Private Caller" or "Unknown".

Per-Call Blocking Service

stops your number and name from being displayed on a Caller ID device for ONE telephone call. Code *67

All-Call Blocking Service

Automatically stops your name and number from being displayed on a Caller ID device for EVERY telephone call you make.

(All Non-Published numbers must receive All-Call Blocking Service)

Per-Call Display Service

For customers with the All-Call Blocking Service, this allows you to UNBLOCK your number and name for ONE call. Code *67

Telemarker Call Screening

attempts to intercept calls before ringing your telephone. A message requests the telemarker to add your number to a "Do Not Call" list.

Anonymous Call Rejection

prevents anonymous calls from reaching your phone by routing calls to a tone or announcement - AKA "Block the Blocker".

Call Waiting

alerts you with a beep during a telephone conversation that another call is waiting to be answered.

Cancel Call Waiting

allows you to cancel Call Waiting before or during one telephone call.

To Cancel Call Waiting before making a call:

1. Dial 7-0-#, then listen for three beeps and a steady dial tone.
2. Dial desired telephone number.

To Cancel Call Waiting during a call:

1. Three Way Calling feature is required.
2. Depress hookswitch, then listen for 3 beeps and a steady dial tone.
3. Dial 7-0-#, then listen for three beeps.
4. Wait for automatic reconnection to existing call.

NOTE: WHEN CANCEL CALL WAITING IS ACTIVATED, CALLERS WILL HEAR A BUSY SIGNAL.

Three-Way Calling & Call Transfer

allows you to add a third party to an existing telephone conversation and then allows you to transfer a call to another line or to voice mail. Must have Three Way Calling for Call Transfer to work.

Speed Call 8 and Speed Call 30

stores the numbers you call most often, then dials them with the push of a button or two. These numbers can be either local or long distance. Note: Toll Charges apply to long distance calls.

Call Forwarding

allows you to redirect all calls to another telephone number.

How to use Call Forwarding:

1. Dial 7-2-#, then listen for three beeps and a steady dial tone.
2. Dial telephone number to which calls will be forwarded.
3. The Call Forward feature is in effect when someone answers at the forwarding number.

NOTES:

IF THERE IS NO ANSWER AT THE FORWARDING NUMBER OR IF THE LINE IS BUSY, HANG UP THE PHONE, AND REPEAT THE STEPS. IF YOU DO SO WITHIN TWO MINUTES, YOU'LL HEAR TWO BEEPS MEANING YOUR CALL FORWARD FEATURE IS NOW WORKING. ONCE YOU'VE ACTIVATED CALL FORWARD, YOUR PHONE WILL MAKE ONE SHORT RING EACH TIME A CALL IS FORWARDED. YOU CAN STILL MAKE OUTGOING CALLS FROM THIS PHONE. IF YOU WISH TO CHANGE THE NUMBER TO WHICH YOUR CALLS ARE BEING FORWARDED, JUST CANCEL THE FEATURE (SEE BELOW), THEN FOLLOW THE STEPS TO FORWARD YOUR CALLS TO A NEW NUMBER. CALLS FORWARDED TO LONG DISTANCE TELEPHONE NUMBERS WILL BE CHARGED TO YOU.

To deactivate Call Forwarding:

1. Dial 73#, then listen for three beeps.
2. Hang up.

Call Forward Remote Access

allows you to activate Call Forwarding when your not at home.

How to use Call Forward Remote Access:

1. Dial your Telephone Co.'s access number: 518-597-9000
 2. Listen for dial tone.
 3. Dial your home phone number.
 4. Dial the PIN number given to you by the company.
 5. Listen for dial tone.
 6. To activate dial 7-2-#. or to deactivate dial 7-3-#.
 7. Listen for dial tone.
 8. Dial number to forward to.
 9. Receive confirmation tone. Call is now complete!
- To deactivate follow steps 1-6 and use deactivation code (7-3-#)

Teen Ring

allows two different phone numbers to be assigned to your line.

How to use Teen Ring:

1. When someone dials your main number, you'll hear normal ringing.
2. When someone dials your Teen Ring, you'll hear a two short rings. If you have Call Waiting, it will work with your Teen Ring.

Warm Line \ Hot Line

means your phone will automatically dial a number for you.

Toll Denial

permits the denial of access to the long distance network but allows local calls and calls to 800/888/877/866/855 numbers and 911 calls. This feature also denies access to directory assistance & operator calls.

**ESSEX COUNTY
EXCHANGES**

**NEW YORK STATE
AREA CODES**

Area Code Overlay Approved for the New York 518 Area Code

To ensure a continuing supply of telephone numbers, the new 838 area code will be added to the area served by 518. This is known as an area code overlay. Get ready to change the way you dial your calls made within the 518 area code!

What is an area code overlay?

An overlay is the addition of another area code (838) to the same geographic region as an existing area code (518). An overlay does not require customers to change their existing area code.

Who will be affected?

The 518 area code covers all or part of 17 counties in eastern upstate New York, serving communities in the Capital region of Albany and its surrounding suburbs, such as Plattsburgh and Lake Placid. The new 838 area code will serve the same geographic area currently served by the existing 518 area code.

What will be the new dialing procedure?

To complete calls within the 518 area code region, the new dialing procedure requires callers to dial area code + telephone number. This means that all calls in the 518 area code that are currently dialed with seven digits will need to be dialed using ten digits, that is, the area code + telephone number. The same dialing procedure will apply to telephone numbers assigned to the new 838 area code.

When will the change begin?

Effective March 18, 2017, you should begin using the new dialing procedures whenever you place a call from the 518 area code. If you forget and dial just seven digits, your call will still be completed.

Beginning August 19, 2017, you must use the new dialing procedures, as described above for all calls. After this date, if you do not use the new dialing procedures, your calls will not be completed and a recording will instruct you to hang up and dial again.

Beginning September 19, 2017, new telephone lines or services may be assigned numbers using the new 838 area code. All calls made within and between area codes 518 and 838 must be placed using the 10-digit telephone number (518 or 838 plus the 7-digit telephone number).

What will you need to do?

In addition to changing your dialing procedures, all services, automatic dialing equipment, or other types of equipment that are programmed to dial a 7-digit number will need to be reprogrammed to use the new dialing procedure. Some examples are: stored telephone numbers in contact lists in wireless phones, PBXs, fax machines, Internet dial-up numbers, speed dialers, call forwarding settings, voicemail services, medical alert devices, safety alarm security systems and gates, ankle monitors and or other similar equipment. Be sure to check your website, business stationery, advertising materials, personal and business printed checks, contact information, and your personal or pet ID tags to ensure the area code is included.

What will remain the same?

- Your telephone number, including current area code, will not change.
- The price of a call, coverage area, or other rates and services will not change due to the overlay.
- What is a local call now will remain a local call regardless of the number of digits dialed.
- You will continue to dial 1+ area code + telephone number for all calls to other area codes (outside of 518 and 838).
- You can still dial just three digits to reach 911.
- If 211, 311, 411, 511, 611, 711 or 811 are currently available in your community you will still dial these codes with just three digits.

Who may you contact with questions?

If you have any questions regarding information provided in this notice, please call Crown Point Telephone Corporation at 518-597-3300 or 1-800-828-9221 or access www.crownpointtelephone.com for more information. You can also visit the New York Public Service Commission's website at <http://www.dps.ny.gov/> for further information.
